What this is

Eight unbranded photo props for closing day — gifts the new owners hold in front of the house, not yard riders.

CLIENT	Kollab Real Estate, San Jose
USE	Photo op / housewarming gift
SIZE	24 x 6
QTY	One of each · 8 unique
TYPE	Futura PT Book + Heavy
MARK	None — unbranded

How we're thinking

01

Unbranded

These leave with the buyers. No Kollab lockup, no hex field — the photo is about the house and the people in it.

02

SOLD split

Type left, rule, mark right. Same architecture as their sold rider, so the set still feels like the shop even without the wordmark.

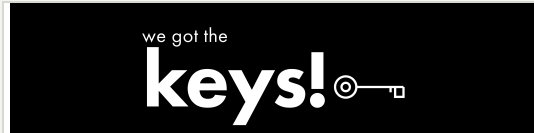

03

Caption, not shout

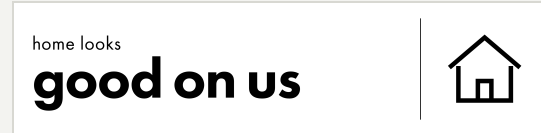

Mixed case, cheeky lines, icons only where they earn it. Reads like something you'd hold up in a photo, not a for-sale sign.
